NOTES ON NOTEBOOKS

Notebooks . . . how necessary they are in everyday school life . . . The staff of the 1943 *Purple and Gold* has been busy keeping a pictorial notebook of this year's activities . . . Some you easily remember . . . Some we thought you might forget . . . We've tried to make it a notebook you would want to keep . . . Read it carefully . . . Enjoy it thoroughly . . . Treasure it for pleasant memories . . . Volume XXIX of the *Purple and Gold* of Waite High School . . . Toledo, Ohio.

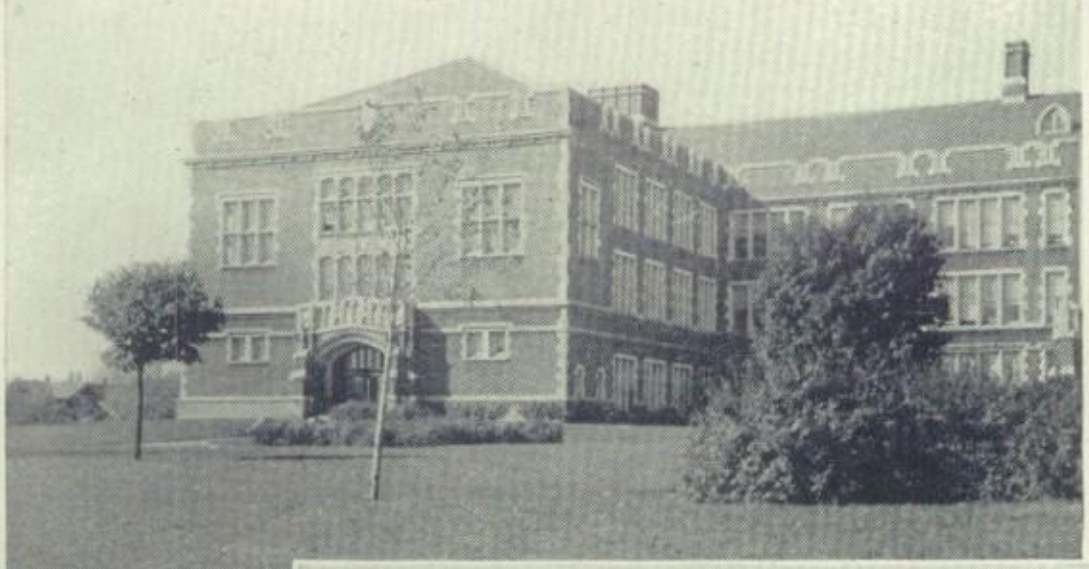
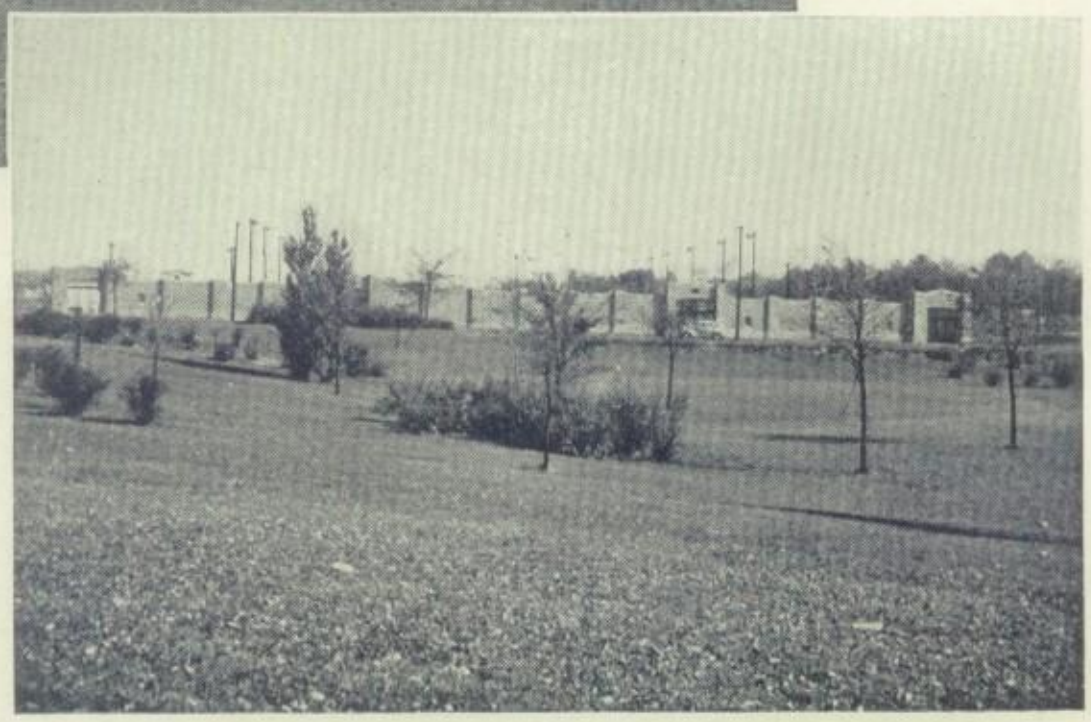
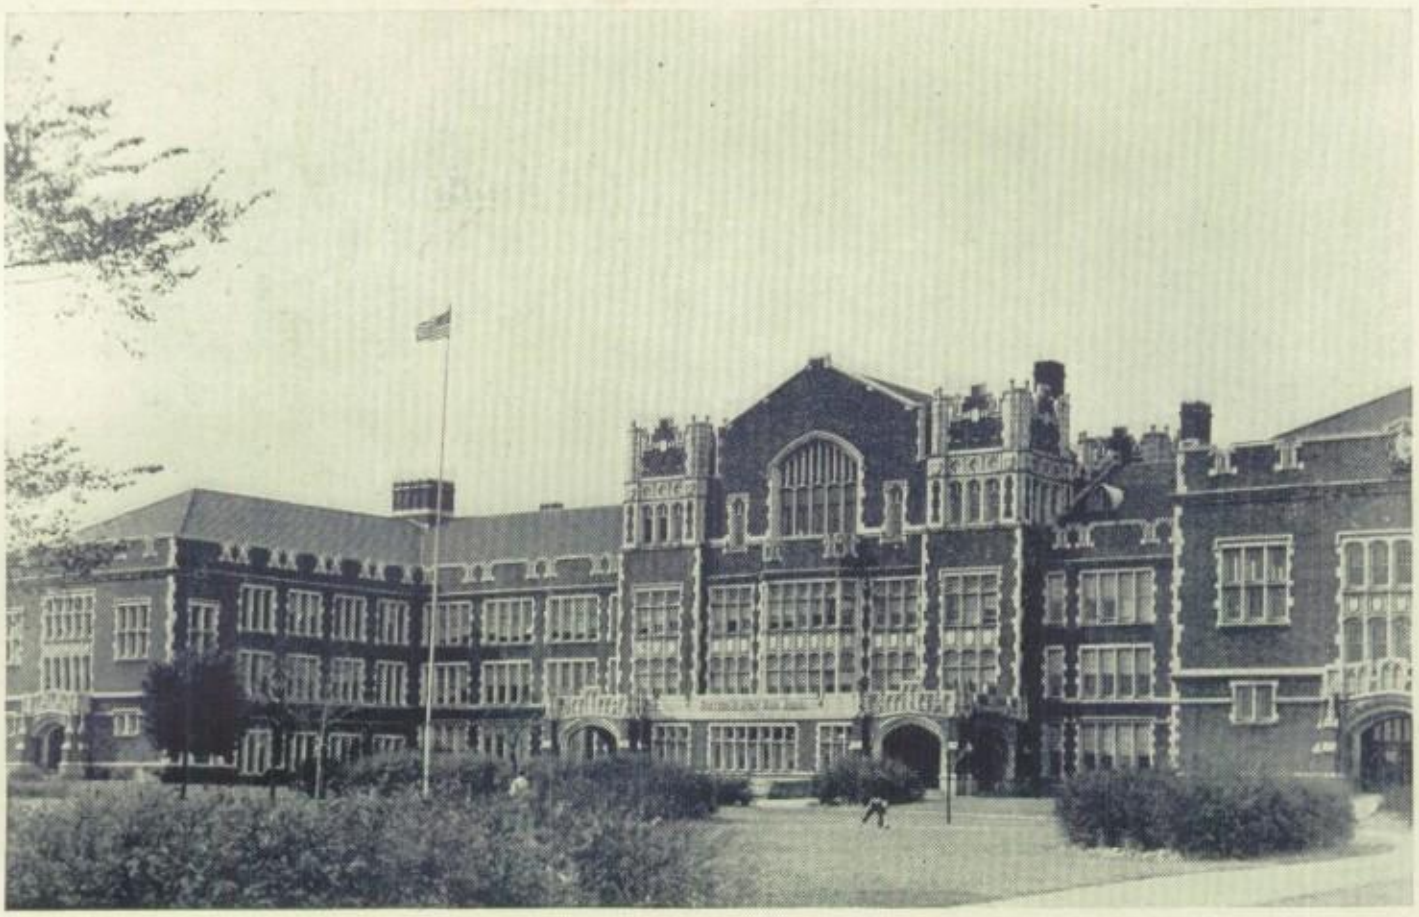
Loyal, Loyal to Old Waite High





Many times we have sung "Loyal" . . . at football mass meetings . . . at the football and basketball games . . . for pleasure and to pep up our spirits . . . But we don't realize what "Loyal" means . . . what "Old Waite High" means . . . until we leave



We Will Ever Be

. . . These views of our school will help us to recall good times . . . school friendships that will grow dearer . . . helpful teachers who did more for us than we now realize . . . and school days that can be lived over only in memories.

Our Boys in Uncle Sam's Service

Waite High School is reverently proud of this service flag. Since the day of its dedication, November 11, 1943, many more stars have been added that also represent the graduates and present students who are serving their country in some branch of the service. Twenty-eight seniors and thirteen juniors have left during this current school year and many more will be called within the next few months.

Adequate words cannot be found that would carry to these boys in the service the feelings and wishes of the student body and faculty of Waite. In our humble way, we are grateful for what they are doing and sincerely hope that their sacrifices and hard work will make this a better world in which to live.

Miss Mildred Cowell

Of the many qualities possessed by Miss Mildred Cowell, wit, intelligence, and a wonderful personality are outstanding. Students like her not only for her helpfulness and understanding, but also for her sense of humor.

Extracurricular activities claim much of Miss Cowell's time, for she is Junior Class adviser, social adviser for the Periclean Literary Society, and a member of the Athletic Council. She has been on the Waite faculty for twenty-one years, teaching English, journalism, and radio script.

It is a distinctive pleasure for the 1943 staff to dedicate this, the twenty-ninth volume of the Purple and Gold, to Miss Cowell.

IN MEMORIAM

"We have no dearer word for our
heart's friend,
For him who journeys to the world's
far end,
And scars our soul with going; thus
we say,
As unto him who steps but o'er
the way—
"Good by."

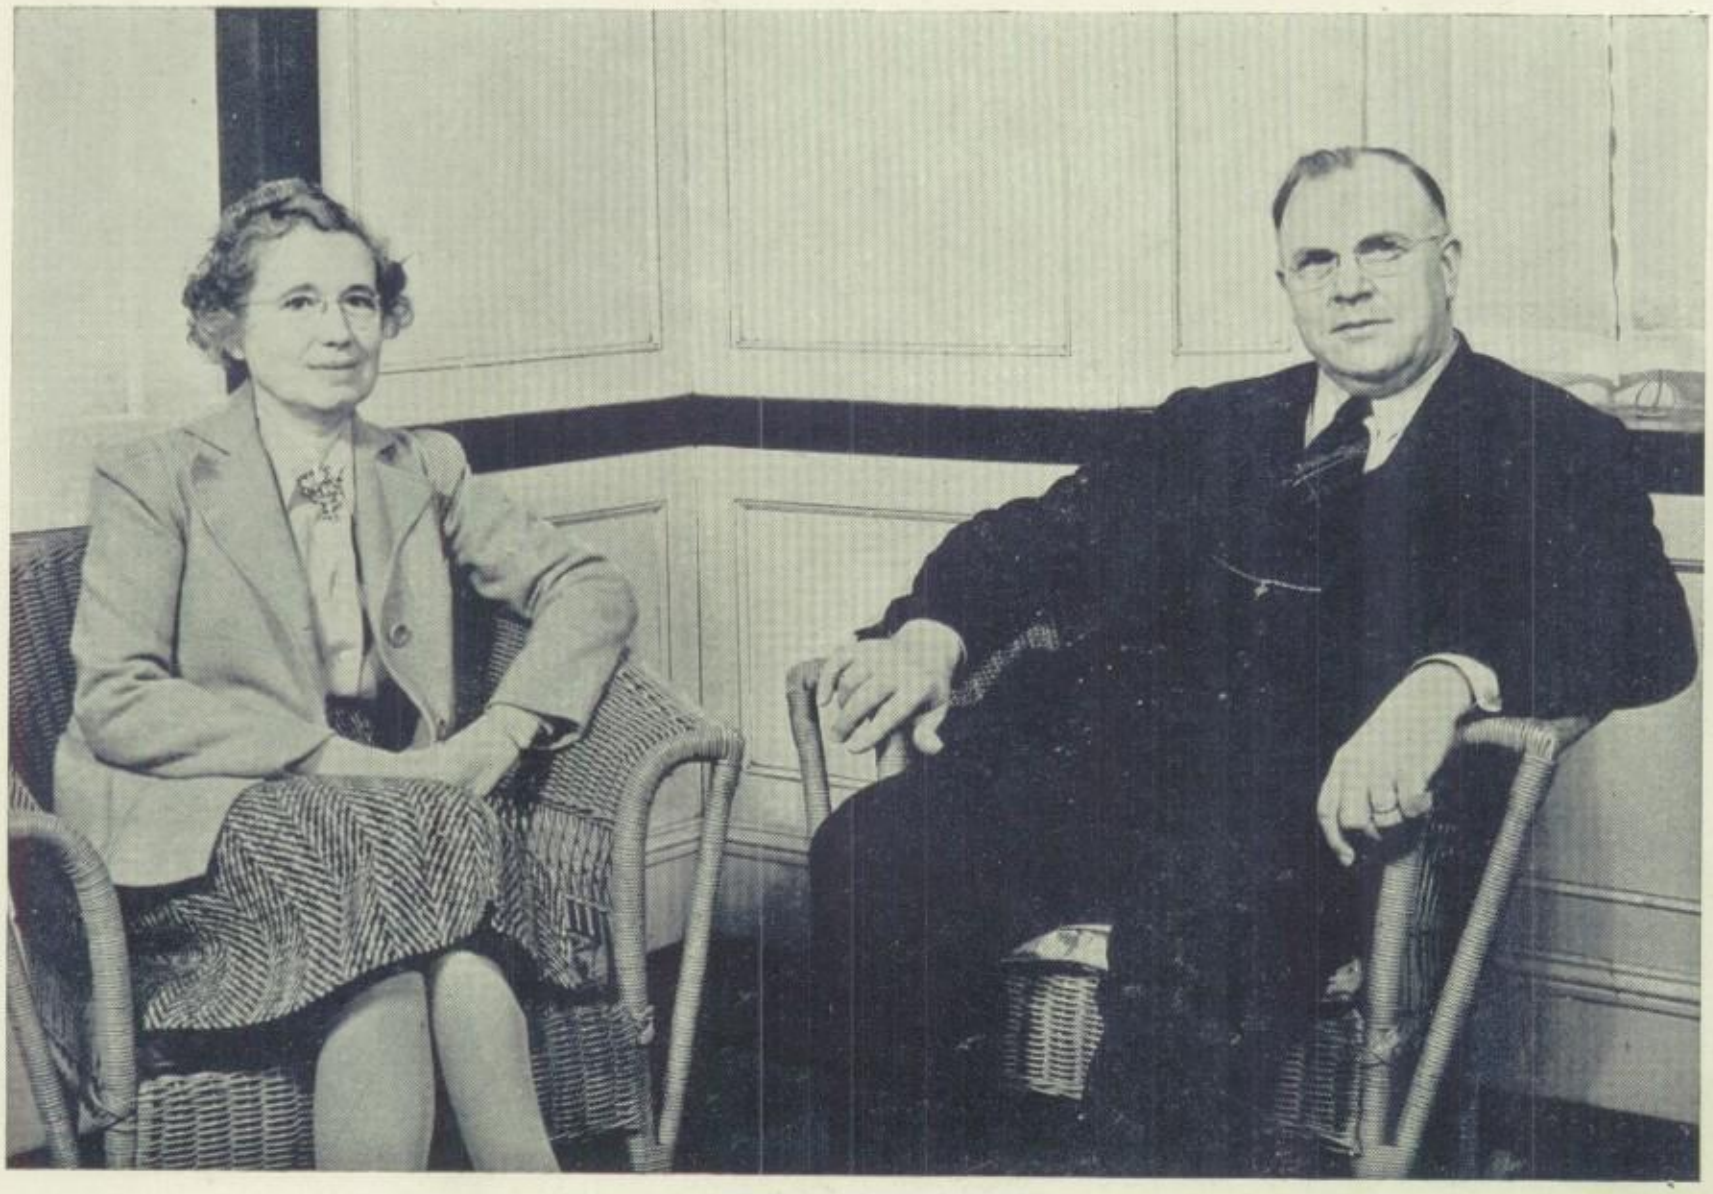
MR. CONSER

This yearbook is one of the achievements of the Class of 1943 . . . For all of us this school year has been one of uncertainties. You seniors are moving out into a world of many unsolved problems. You are more important in the solution of these problems than any group of seventeen and eighteen year old youths has ever been. Your Country is depending on you to take a place on our far-flung battle lines. Your State and Community have a job waiting for you. Choose your field of future activity and continue your preparation if required. Be prepared mentally, physically and spiritually to serve well.

Philip A. Conser



Deans

Miss Marguerite Griffith and Mr. Fred Klag are Waite's deans, always ready with friendly advice and serious counsel.

The routine work of Waite's busy office is efficiently handled by Mrs. Ruth Schultz, school secretary, Mrs. Mary Wargo, checker of attendance, and Miss Mabel Wemp, school treasurer. Mr. George Keller serves Waite as head custodian in charge of heating, cleaning, and general upkeep of the building.

"Mountains out of molehills" . . . that's what we'll say in ten years . . . But now the problems are serious . . . Remember the discussion about baccalaureate services? . . . Remember the scarcity of men for the traditional prom and banquet? . . . Solutions were reached and these special occasions were ones that will remain in our memories . . . The Prom and banquet at the Woman's Building June 12 . . . Baccalaureate services at Trinity Church June 13 . . . Reverend Chester Dunham as guest minister . . . Graduation . . . the struggles and hopes of four years realized . . . at the Paramount June 17 . . . with main speaker Dusty Miller.

How could Miss Marion Hart always be so patient and ready with advice? . . . The future will make us see how much her counsel meant and show us why Seniors are the school's "problem children."

Junior Class

Juniors! . . . One more year until we're Seniors! . . . Let's make the most of this year . . . and we did . . . Capably advised by Miss Mildred Cowell, the Junior class had a memorable year . . . Two one-act plays by Spranger Barry . . . "Mildred Is My Name" and "Oh, Say Can You See" . . . both full of comedy . . . were presented in the auditorium January 21 . . . March 17 is generally celebrated for the "wearing of the green" . . . not at Waite this year . . . for that is the day the Junior rings were distributed . . . Happy day! . . . Some actually wore their own rings all next day . . . A skating party, too . . . April 12 . . . a great success . . . Lots of fun this year . . . Now we're ready to be Seniors.

"Atten...tion! Right Face..."

"On Waite High School, On Waite High School" . . . Long before school these familiar strains could be heard . . . What do you say? . . . Why it's the band practicing for the football season . . . September first . . . these loyal students came from their vacations to practice . . . every morning they drilled with the hope of getting city-wide recognition.

Some say, "Well, that's all there is to it, they have it easy" . . . Football games are not their only accomplishment . . . they study serious music too . . . in preparation for the annual concert . . . March 18 . . . in the auditorium . . . The grade school concerts . . . established two years ago . . . also require practice and many rehearsals . . . Eligibility for a band "W" is two years of hard work.

All work and no play makes everyone a dull person . . . so the band sponsored a roast . . . at Pearson Park . . . as one of their social events . . . and there was the trip to Massillon for the game.

Members are always ready for the special things . . . such as parades . . . and participating in the bond sales . . . and commencement.

What would the school be without a band? . . . "On Waite High School."

Ready on the Up-beat?

"No boogie-woogie here! . . . We can do away with the syncopation . . . Go back six bars and pick it up there . . . one, two, three, four" . . . and so on and on all during fourth hour . . . Miss Cecile Vashaw struggles to keep reeds and strings together . . . horns and percussion down . . .

Hi-Ya, Hi-Y

The customary Easter service was held April 21 in auditorium . . . The Hi-Y joined forces with Senior Friendship to arrange an impressive service . . . Available members ushered at Good Friday services in churches and in downtown theaters.

Good times and inspirational talks at the Hi-Y Forums held at the central Y.M.C.A. . . . Those attending enjoyed excellent discussions . . . and made new friendships with representatives of other high school Hi-Y Clubs.

Friendly Friendship Girls

The Junior Friendship Club . . . branch of the Y.W.C.A. . . . consists of Freshman and Sophomore girls . . . under guidance of advisers . . . Impressive Candlelight service was held November 18 . . . The Christmas program . . . December 16 . . . was in the spirit of the season . . . The girls joined with the Student Council to sponsor a skating party at the Coliseum . . . January 11.

February was a busy month . . . weekly Sunday forums at the Y.W.C.A. . . . a Valentine party February 12 at the Lutheran Orphanage . . . substituted for the traditional Christmas party postponed because of quarantine regulations . . . Potluck at the Y. W. with other clubs on March 12 was especially enjoyable.

A full year was brought to a close with a Mother's tea and the installation of officers . . . May 26.

Junior G-Men of Waite

"Do you have a hall permit?" . . . a familiar question asked by the members of the Hall Patrol . . . supervised first semester by Student Council Director George Kiroff . . . second semester by Norman Gladieux . . . Twenty-eight students are on duty six periods a day . . . at regular stations in each corridor.

An innovation this year were the sharp arm bands . . . green with black letters . . . H.P. . . . These gave patrol members some prestige when demanding permits from students . . . as they went through halls during class periods . . . In addition to the regular duties . . . sixth hour guards inspect lockers . . . report delinquents who have dirty or open lockers . . . Serious attempt made to improve condition of halls . . . To insure safety, strangers were barred from halls . . . except visiting service men who were formerly students . . . provided they made no disturbance.

Who was the Masked Marvel who created such a sensation at the annual wrestling and boxing show? . . . March 22 . . . Was he good!! . . . Grunts . . . groans . . . bloody noses . . . black eyes . . . but lots of fun . . . These fellows surely can take it!

Many members have left for service . . . The club gives each one a farewell gift . . . useful and very much appreciated . . . so little they can do for those who are doing so much.

Optimates? . . . What? . . . Optimates, that's our Latin Club! . . . Composed of Latin students interested in becoming better acquainted with Latin . . . the basis of our langauge and culture . . . and its present-day usefulness.

"Themes from Caesar" . . . That was the play presented . . . in March . . . for the French and Spanish Clubs.

Picnic money goes for War Bonds!! . . . Very patriotic . . . Instead of the usual picnic the Optimates have purchased five $25 War Bonds.

Speakers! . . . Boring? . . . Definitely not . . . Very interesting, in fact! . . . Mr. Harry Ross's topic was "Words and Their Origins" . . . Miss Marion Hart talked about the colorful Latin American country, Mexico . . . Mrs. Fortune spoke on "Classical Convention" . . . Louis Martin . . . a former student . . . His subject was "What Latin Has Done For Me?" . . . a question every Latin student asks.

Parlez-vous Francais?

Strictly in the groove . . . this can be said for the French Club . . . an organization of French students meeting semi-monthly to converse, play games, and put on plays . . . all in French . . . such was the play that was presented called "Little Red Riding Hood" . . . with Bill Rahe as the wolf . . . Boy! was that good! . . . But . . . it's all in a meeting of the French Club.

As they do every year, the French Club this year sponsored a skating party . . . November 9 . . . and as usual everyone that went came to school the next morning with a pillow . . . and not to sleep on, either . . . The money made was used for the French classes of Waite . . . Recovering from the skating party we are then reminded that the French Club also collects tax stamps . . . so we bring our stamps . . . helping to make the French Club treasury fat.

With the end of the year drawing near the minds of the members of the French Club lightly turn to . . . No! not love . . . but the French Club picnic . . . an annual event . . . Although it sounds doubtful this year . . . the French Club might be able to beg . . . borrow or steal enough points to get eats for a picnic.

Although the French Club is run entirely by students . . . it has a very able adviser . . . Miss Isabella Houk . . . who does much to keep it "in the groove."

Todos Somos Amigos

"Se declara abierta la sesion" by the President opens the meeting of the Spanish Club, held every other Friday in room 229 . . . To provide atmosphere the roll is called in Spanish and answer by "Aqui" . . . the reports of the treasurer and secretary are also given in Spanish . . . (We often wonder how many really understand these) . . . but the purpose of the club is to put to better use the knowledge of Spanish . . . Songs, skits, puzzles, and games make the time fly!!

A welcome and get-acquainted party was given second semester for the many new members . . . There were songs, games, self-introductions . . . Many new friends were made . . . and everyone had a good time.

A candy sale was sponsored with such success that another one was undertaken . . . These provided a creditable sum for the treasury.

Distinctions were voted upon and clever pins were chosen . . . the first distinction the club has had for several years.

The annual picnic and roast is planned for the spring . . . and will probably be held at Pearson Park.

A good deal of credit goes to la Senorita Edythe Bumgardner for her keen interest and lively spirit which greatly benefit El Club Espanol.

Sketch Your Portrait?

Presenting the Altobee Art Club . . . composed of would be Raphaels and da Vinci's . . . This group of eager young artists meets twice a month with the adviser Mrs. Dorothy Packer . . . to exchange ideas about art and to get new ones.

Walbridge Park and the Zoo offer intriguing subjects for sketching parties . . . weather permitting . . . Study of war camouflage proved interesting . . . They are also keeping up the morale of service boys through friendly correspondence.

Sharp turquoise blue and white sweaters were chosen as distinctions . . . the emblem a palette and brushes, designed by the members.

Oink!! Oink!! . . . the influence of the Piggy Prance . . . sponsored by the Art Club April 30 in the piggy be-decked gymnasium . . . The lilting melodies of Carl Melm's orchestra furnished the music . . . Refreshments were also provided for the large crowd which made the dance a success . . . and a profit for the club.

On November 16 all the members were invited to a party . . . they played games, chatted and had refreshments . . . Because of the small size of the club the members are all good friends.

Mrs. Packer is planning a picnic to be held at her home in the spring . . . The traditional theater party will close the season.

Be Prepared

"May I sell you a War Bond or some stamps today?" . . . is a familiar inquiry by a worthy scout. Besides helping their country with the sale of bonds and stamps, the Senior Girl Scout Troop 122 has been working for Civilian Defense . . . making home-made candy . . . donating popular records to the USO . . . passing tests in First Aid and in Messenger Service . . . Learning the complete Morse Code is no easy task for anyone . . . but these gals were determined and have mastered the Code . . . Lessons in Child Care also claimed their attention . . . who said that Girl Scouts are sissies?

The cherished desire for senior service caps and uniforms was finally realized this year . . . snappy green uniforms and matching caps with the Girl Scout emblem are very becoming . . . "They were worth working for," confides one of the girls.

Every other Friday, this group meets under the competent supervision of Troop Leader, Mrs. F. Hill assisted by Mrs. R. D. Lee, and Mrs. R. S. Auburn. School adviser . . . Miss Norma Wintermantle . . . has devoted much time to this new and growing organization.

Row 1—Vivian Lee, secretary; June Sipes, treasurer; Frieda Watson, president; Carolena Dew, chaplain; Jean Palmer, vice-president; Hilda Schwarzkopf, Marion Anteau, Ruth Zitzman, Phyllis Anteau.

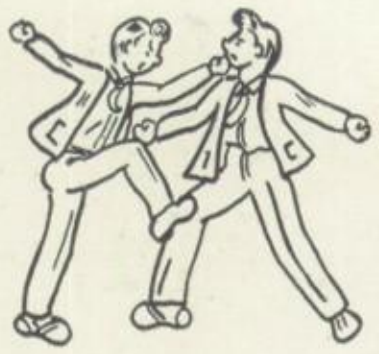
Are You For or Against?



"I think that"—"I don't agree with you. Here's why" . . . Familiar trend of conversation during Pro-Con Club . . . an organized group of students interested in why's and wherefore's of government . . . Chief activity is debating.

First guest speaker was a member of our own faculty . . . Miss Marion Hart . . . She gave a delightful talk about our National Parks . . . worthwhile and interesting . . . Mexico was brought to us pictorially and verbally by Mrs. James Smith . . . A technicolor movie accompanied her educational talk.

Every club was asked to do some kind of war work . . . Pro-Con decided to study meteorology . . . Every second meeting reports were given on the subject by the members . . . A social meeting late in November . . . a Mixer in refectory for prospective members broke the regular routine . . . Games and refreshments kept the group amused . . . A successful candy sale increased the treasury . . . Miss Ethel Gingrich and Mrs. Ethel Kemp graciously gave their time to serve as advisers.

Future Engineers

The Engineering Society is organized to promote new ideas in the engineering field . . . to encourage the study of engineering in college . . . and to help the members secure work . . . To be eligible for membership, students must take some form of industrial art work . . . radio . . . electricity . . . wood or machine shop . . . sheet metal . . . or chemistry.

The Engineers have had a definite place in extra-curricular activities at Waite for twenty-three years . . . but this year the group wasn't very active . . . because these students didn't have much time to devote to club work . . . Most of the members worked after school to release men for the service and full time work in the war plants . . . The boys were doing their duty for Uncle Sam and didn't worry about missing social activities at school.

Mr. Alvin Youngquist, drawing instructor, and Mr. Christian Thomson, radio and electricity instructor, were ready with advice whenever the Engineers needed it . . . Although the club is small this year, the organization was kept alive and a few will be left to carry on next year.

Varsity Football

WAITE-20 TIFFIN JUNIOR ORDER-7

The mighty Waite Indians started out the season right by easily defeating Tiffin Junior Order 20-7. Horvath's passing and Boothby's running were the highlights of the game.

WAITE-25 LINDBLOOM-0

Waite's next foe was Lindbloom, Chicago. Although greatly outweighed, Waite gained an easy victory, with Lamoreaux's running and Raether's line play outstanding.

Co-captains Vernon Smith and Joe Kives with the coveted trophy that is Waite's after the victory on Thanksgiving Day.

Row 4—George Dunn, James Lamoreaux, M. N. Hamilton, Joseph Horvath, Joseph Kives, Vernon Smith, Louis Larsen, James Terry, Vernie Collins, Harold Raether.

WAITE-0 WOODWARD-6

Going into the game highly confident, Waite was stunned by a scrappy Woodward team. A 62-yard gallop by a Polar Bear back with less than five minutes to play was the calamity for Waite.

WAITE-0 LIBBEY-14

The Indians went into this game the decided underdogs, but put up a furious battle for three periods. In the final quarter Libbey made good two chances to score, finally winning 14-0. Schaetzke, Kimpon, and Shafer were outstanding in their defensive play.

WAITE-0 KNOXVILLE-34

The trip to Knoxville, Tennessee, was pleasant as far as the scenery was concerned, but disastrous as far as the game was concerned. The Indians met one of Knoxville's strongest teams which completely outclassed our comparatively small and inexperienced team. The South decidedly overpowered the North.

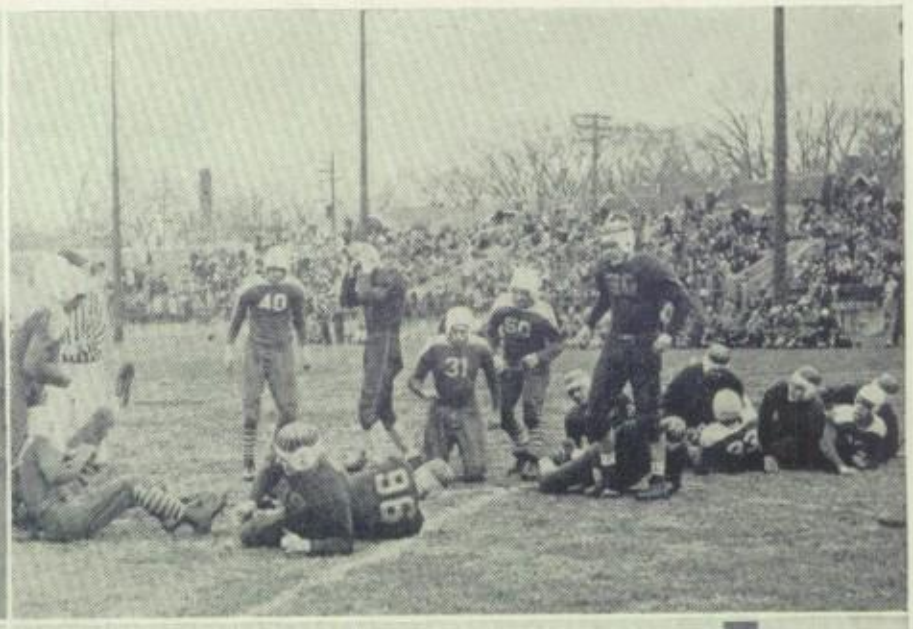
WAITE-14 DE VILBISS-7

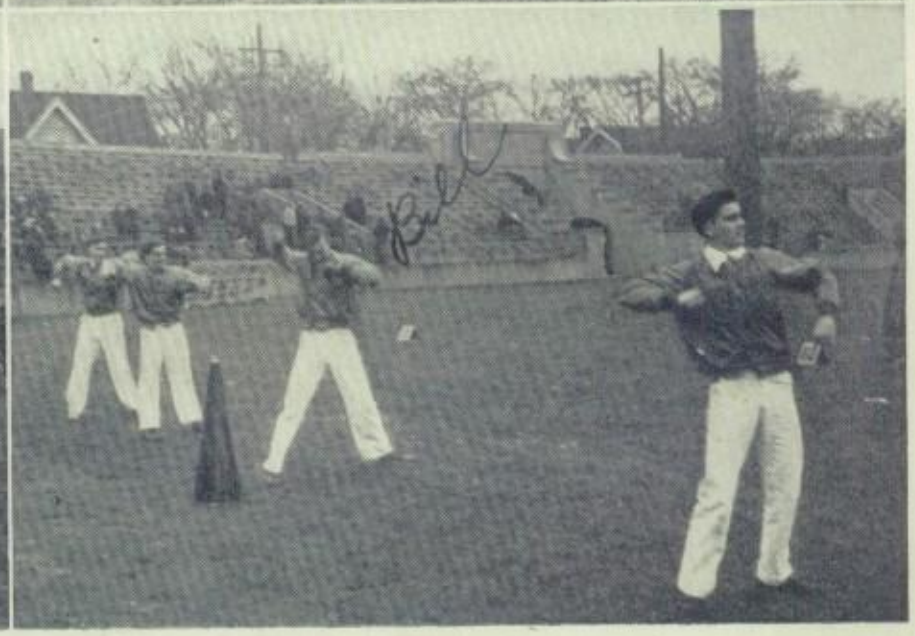
It will be a long time before Waite spectators forget the 90-yard run of John Mays, who returned the opening kick-off for a run straight through both teams for a touchdown. Pepped up by this surprise, the Indians played heads-up ball all night to gain a much desired victory over the DeVilbiss Tigers. Co-captain Vernon Smith will be remembered for his defensive and offensive playing.

WAITE-20 CENTRAL-0

A scrappy Waite eleven continued the string of victories of the Central Catholic Irish and scalped the Irish for the second city league victory. The Irish have yet to defeat the Indians in football. The Indians completely outclassed the Irish, led by Louie Smith's fine running and plunging and Paul Hrabovsky's defensive play.

Extra point for the Indians. Did he make the down?
Touchdown! Come on, everyone, yell!!





WAITE-14 MASSILLON-34

Once again Waite traveled to Massillon in another attempt to upset the famous Tigers. The Indians didn't win, but did distinguish themselves by scoring two touchdowns against the mighty Massillon team, the most points scored against the Tigers all season.

WAITE-26 BENTON HARBOR-26

Many football games end in a tie, but seldom do they end with such a high tie score as this one was. It was anybody's game until the last second and was probably the most exciting game of the season from the spectator's viewpoint. Of course we like to think we really won the game, although the score was tied.

WAITE-32 SCOTT-0

Everyone was disappointed at the Scott game, because, instead of the traditional thrilling Turkey Day game between two old rivals, the spectators saw a powerful Waite machine completely outclass and outplay a weak Scott team. At no time did the Bulldogs have any chance at all against a smooth Indian eleven.

A quick kick. Frozen in place. Goal kick.
All at attention for the flag-raising. Stopped on the line. The play is completed.

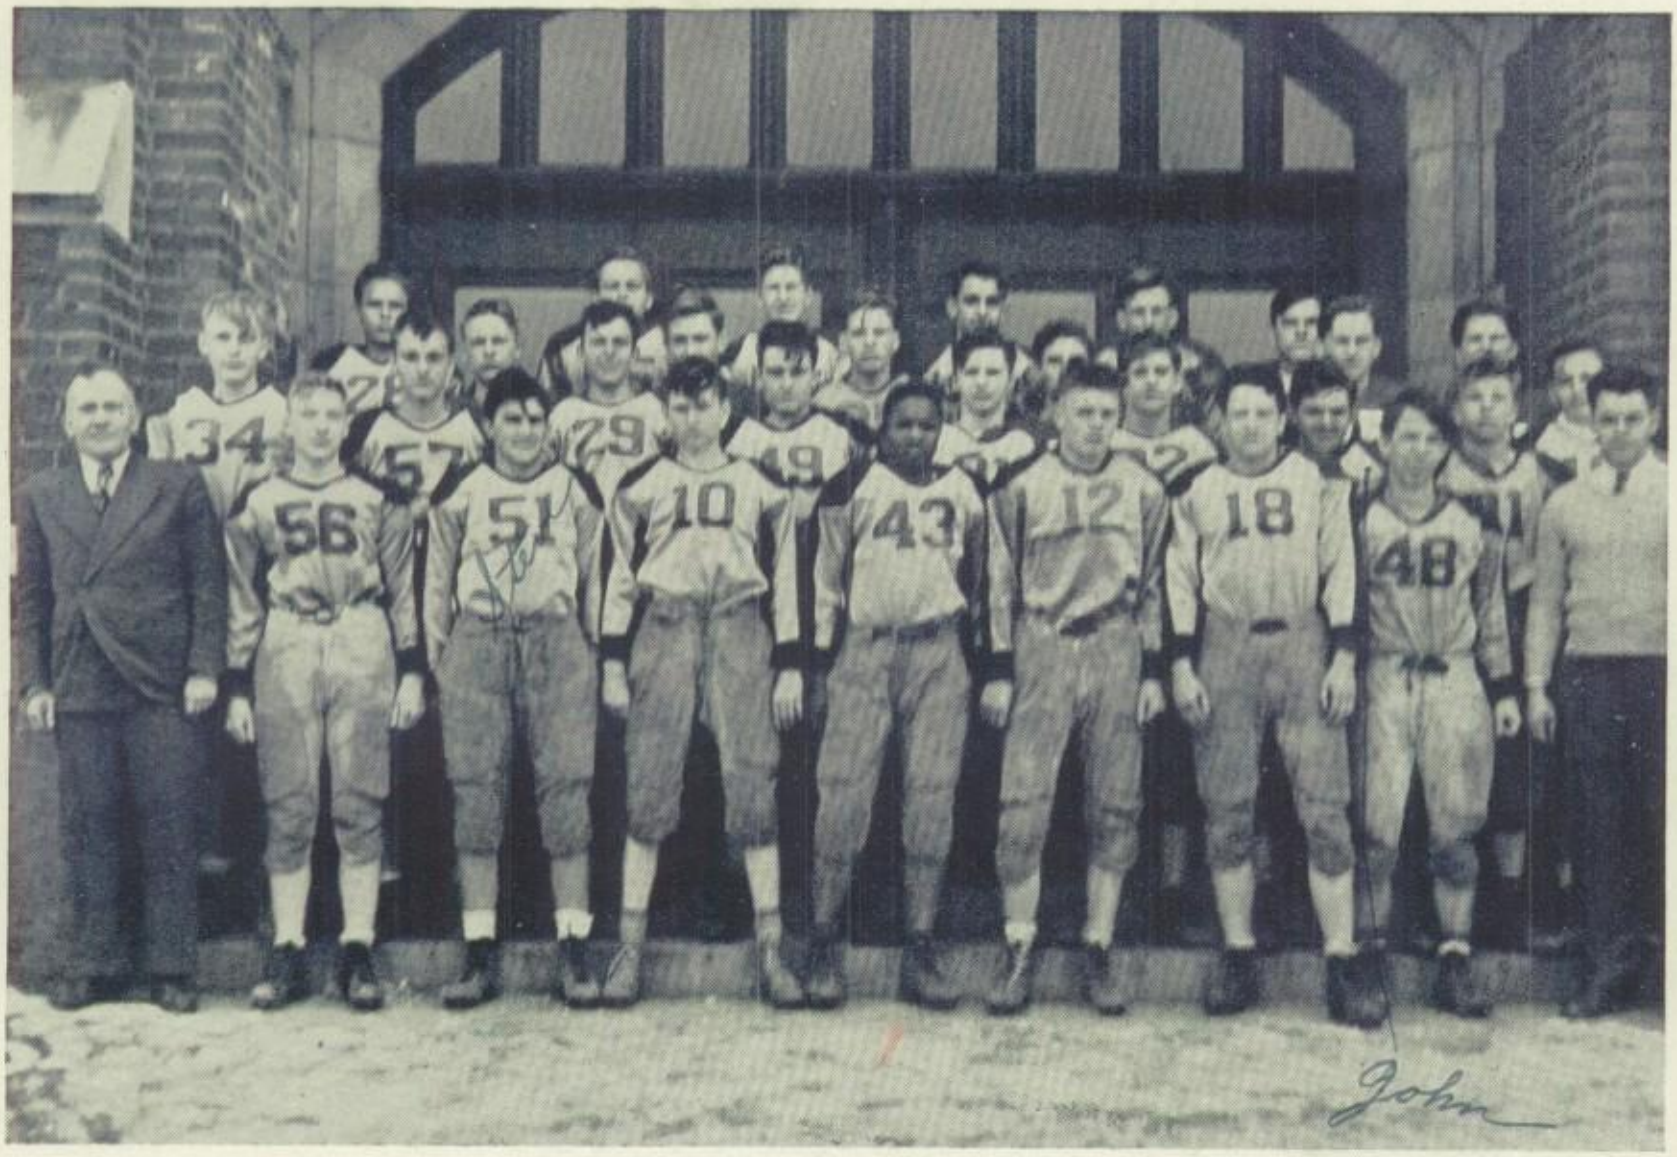
Row 3—Dan Lutomski, George Decker, Dave Martin, Ray Huffman, Howard Loper, Donald Norton, Coach Konnert.

Reserve Football

Won three . . . lost one . . . tied one . . . is a quick, concise summary of the record of the Indian Reserves . . . This record brought them to second place in the city high school league . . . The outstanding game was the tie with Clay High School . . . Waite's Sophomores showed they had the stuff when they encountered the regular Clay varsity . . . Coach Konnert said the squad . . . all Sophomores . . . developed well . . . As is expected, many left for the armed services . . . But those remaining will be advanced to the varsity . . . Such players as John Armstrong, Kenny Timmons, Steve Contos, Don Stewart, Don Norton, Ray Huffman, and Emil Drlik will see plenty of action on the varsity squad.



Row 1—Coach Rohlfing, James Hockenberry, Steve Torda, James McQuillen, Charles Mays, Jim Campbell, Jack Canning, Norman Pickerel, Coach Holliday.
Row 2—Clinton Knitz, Don Ottney, Don Heuer, Don Jenson, Bill Gillespie, Charles Stuck, John Polyasko, Marion Parsons.
Row 3—Richard Stearns, William Pitcher, Frederick Kluender, George Peckham, Fred Young.
Row 4—Larry Walker, Richard Bloomfield, Joe Durst, Ray Callihan, Carl Swafford, Bill Urban.

Freshman Football

Waite Freshmen this year were just about the same . . . only, if anything . . . a little smaller and a little more inexperienced . . . In spite of this, the Freshmen won three . . . tied one . . . lost two games by one point and another by six points . . . Torda was voted by other Freshmen coaches to be one of the best defensive centers in Toledo . . . Mays . . . the hardest hitting back in the city . . . always could be counted on for at least five yards . . . Deadly pass receivers Swafford and Durst caught McQuillen's . . . midget back . . . passes . . . Quarterback Canning had plenty of fight . . . Campbell as tailback made several long gains . . . Outstanding linesmen were Knitz and Urban.

All in all the season was a success . . . the boys learned plenty of football . . . Don't forget to look for these boys in future varsity lineups!

Varsity

Team fight! Team fight! Cheerleaders Howard Schultz Bill Rahe, Frank Lehnert.

A bird's-eye view.

Two more points for Waite.

Under the new coach, Chuck Chuckovits, the basketball team had rough sledding this season . . . but managed to play good basketball on several occasions . . . After trimming Holland and Scott in the season's opening games, the varsity lost a heart-breaker to Woodward 37-36 . . . This defeat proved to be a jinx . . . close games were lost . . . The boys lost their stride and won only two more games on the regular schedule . . . The wins were upsets, however . . . the first one 31-30 . . . over a highly favored Macomber five who had been previously undefeated . . . In this game the Indians had a sizzling passing attack and fine defense . . . they took advantage of the opportunities to score . . . In the other game . . . the Indians came from behind at the half to wash out Libbey's eight-point lead . . . and whip the Cowboys 37-34.

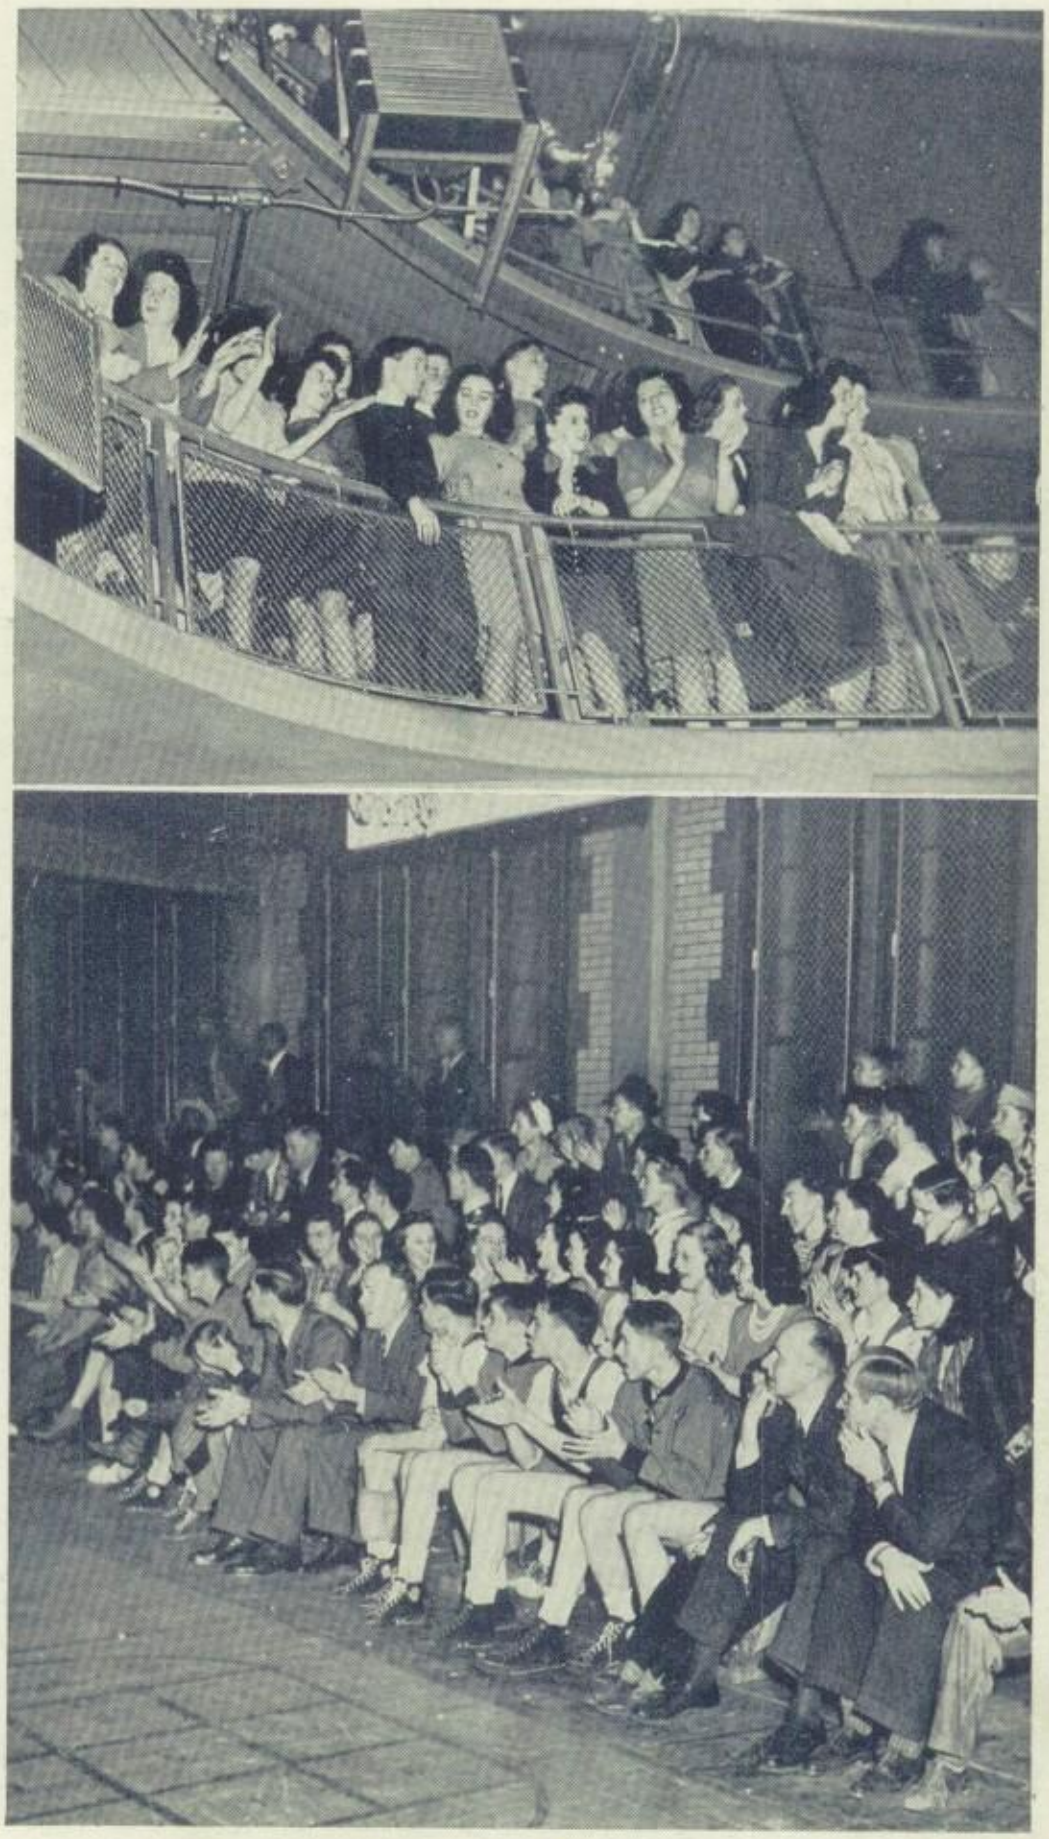
Basketball

The team finished league play in fifth place . . . but this is not too discouraging for a team composed primarily of Juniors who gained valuable experience that will help next year . . .

In the district tournament Waite was eliminated by Whitmer in their first game 31-30 . . . a thrilling, up-hill struggle for Waite . . . The quintet took the lead 30-27 with thirty seconds to go . . . but a quick basket and a foul shot by Whitmer clinched the game.

Juniors expecting to return next year are: Ken Fallon, Tom Inman, Glenn Baumgartner, Jim Terry, Jim Leu, and Homer Harder . . . Joe Horvath led Waite's scorers with a season's total of 205 points . . . follower-up was Tom Inman with 165 points.

Loyal fans at a basketball game.
They made it! Yeah!



Row 1—Steve Contos, Carl Armstrong, Dale Hepler, Dick Wantdke, Kenny Timmons, John Armstrong, Joe Durst.
Row 2—Paul Lindenmuth, Don Layman, Don Norton, Coach Fetters, Ray Huffman, Joe Westenkirchner, Dick Eaton.

Reserve Basketball

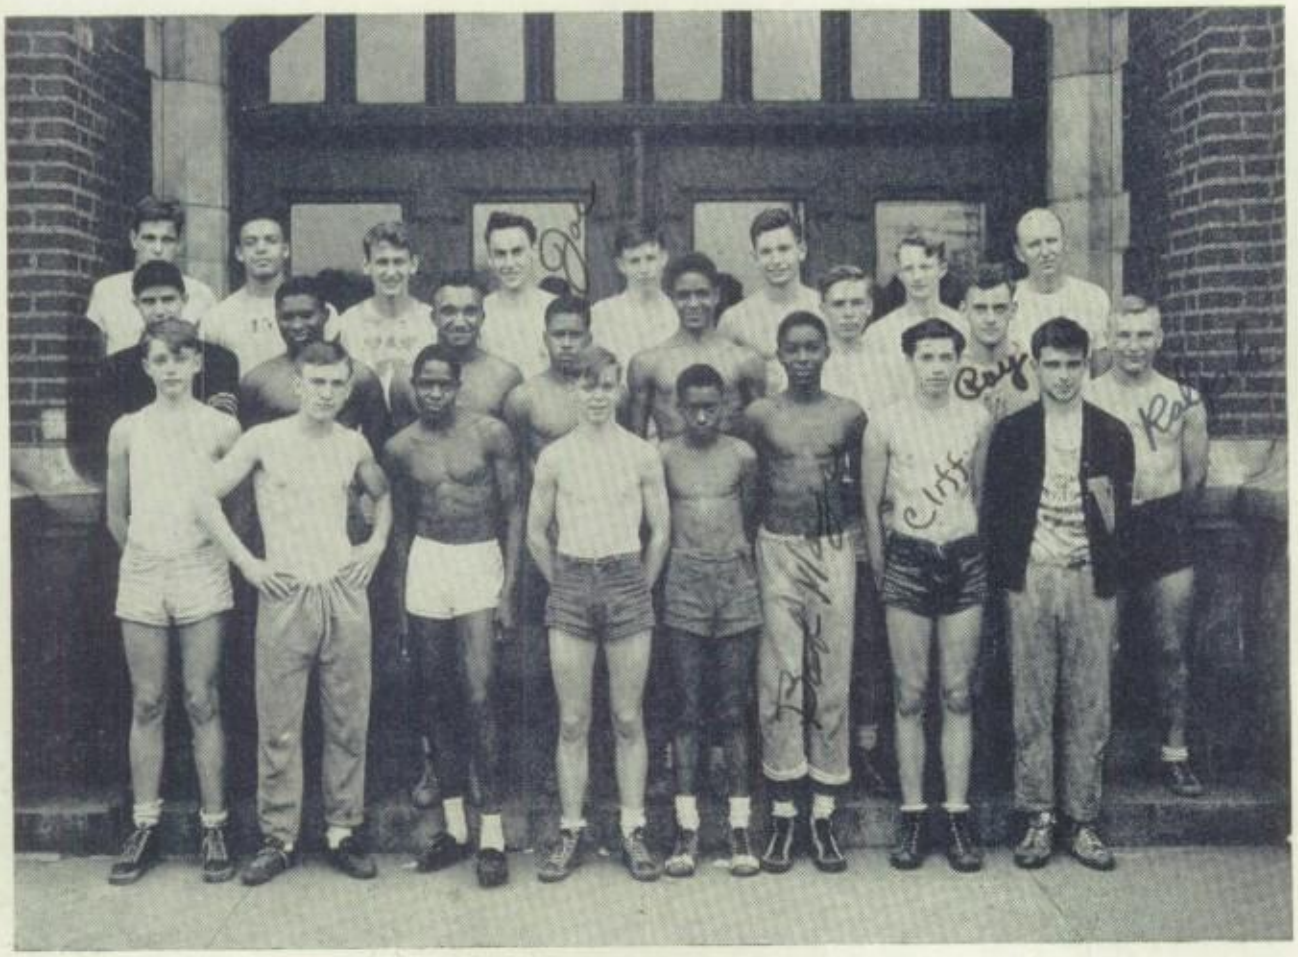
After a slow start the reserves began to click! . . . Under the patient guidance of Coach Fetters . . . and Joe Durst brought up from the Freshmans quad . . . the reserves suddenly became aggressive . . . took the play away from their opponents with a devastating fast break . . . passing attack . . . and endurance . . . This change in attitude and play boosted their record to five wins and five defeats . . . all defeats suffered during the first half of the season . . . Their most prominent victories were wins over Libbey, Central, Macomber, and DeVilbiss in rapid succession to end the season.

Reserve stars Don Layman, Joe Durst, and John Armstrong were advanced to the Varsity for the district tournament.

Row 1—Marion Parsons, Jerry McKibben, Norman Pickerel, Charles Rutherford.
Row 2—Charles Bigley, Clinton Knitz, Richard Bloomfield, Dale Swartz, M. L. Temple.

Freshman Basketball

The Freshmen had rather tough luck all season . . . no regular coach from the faculty was available so the squad was assisted by Nelson Holliday . . . During the season the boys defeated only Scott and Libbey . . . but practiced faithfully and maintained a scrappy spirit . . . Working together . . . learning the fundamentals . . . valuable experiences gained from being on the Freshman squad . . . Varsity players must begin early . . . and here's where future stars are developed . . . Clinton Knitz, Jerry McKibben, Dick Bloomfield, Charles Bigley, M. L. Temple, and Dale Swartz saw regular service and will be the nucleus of next year's reserve team.



Row 1—Don Layman, Bob Schiefer, Sylvester Stewart, Bob Swert, Carl Armstrong, Bob Mays, Clifford Henderly, Gerald Montague.

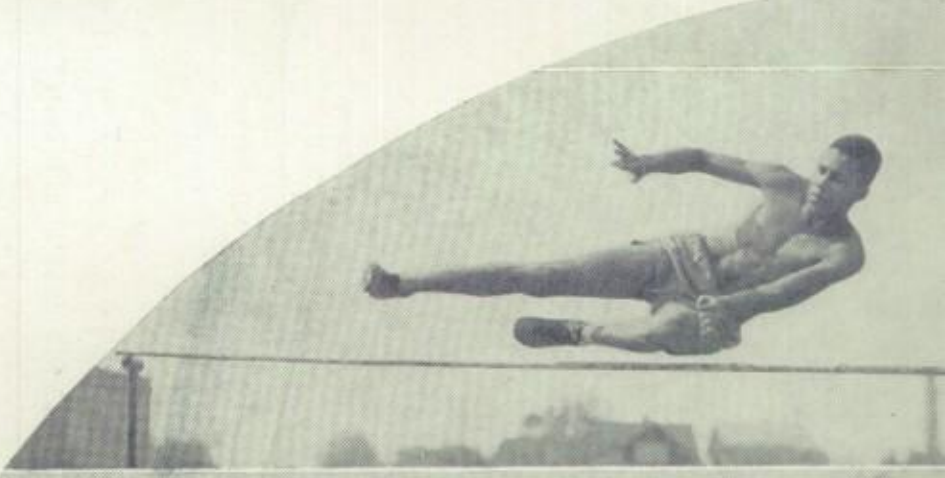
Row 2—Lombie Vladeff, John Mays, Jim McDaniels, John Armstrong, Berkley Fowlis, Bob Woods, Ray Boothby, Ralph Schafer.

Row 3—Eugene Oatley, Harold Quinn, Hilary Dietzer, Joe Kives, Vernie Collins, Vernon Smith, Elbert Purdy, Coach Fetters.

The district meet was the climax of the 1942 spring track season . . . Waite's outstanding star, Sylvester Stewart, won the mile . . . qualifying him for the State meet at Columbus . . . where he placed fifth in the mile . . . the first time that a Sophomore has ever placed that high in such a meet . . . The Indian relay team also distinguished themselves at the district meet by taking first place in that event.

John "Boots" Armstrong could always be counted upon for a first or second in both the high and broad jump and the quarter mile . . . Gerald Montague was a mainstay in sprints and on the relay team . . . Prospects for the 1943 season are very encouraging with Stewart, Armstrong, Montague, Boothby, returning.

"Boots" Armstrong goes over the bar in the high jump.



Ready for dash—Gene Oatley, Sylvester Stewart, Bob Schiefer, Gerry Montague.

Track

Baseball . . . the great American sport . . . had a successful 1942 season at Waite . . . The Indian nine tied with DeVilbiss for the city championship . . . They had the distinction of defeating the DeVilbiss Tigers three times . . . Frank Tursic distinguished himself by recording so many strike-outs that he was offered a try-out with the Toledo Mud Hens . . . Al Mesteller, Howard Wells, Carl Kramer, and Bill Beggs were the leading hitters . . . Dick Drake was good at second and Jack Garner could throw in to the plate from left field.

Coach Steve Rohlfing was proud of his team . . . Such a record indicates co-operation . . . good coaching . . . and excellent spirit . . . Too bad that baseball was cancelled this spring for the duration.
